ABOUT THE STOREFRONT IMPROVEMENT PROGRAM (SIP)

The purpose of the Storefront Improvement Program is to encourage businesses and property owners within targeted neighborhood commercial corridors to improve their storefronts, making these areas more attractive to shoppers and growing their vitality and economic performance. The program reimburses owners of commercial buildings and businesses up to 50% of the total cost of eligible improvements, for a maximum reimbursement of \$10,000 for a single commercial property or \$15,000 for a multiple address or corner business property. *Applicants must NOT start work until receiving a signed approval from the City*.

APPLICATION PROCESS Step One – Is your project eligible?

- Contact Ana Fuentes, Program Assistant, to find out if your project is eligible. She can be reached by phone at 215-683-2025 or by email at ana.fuentes@phila.gov.
- If it is eligible, you will be matched with a relationship manager who will walk you through the process. The relationship manager will be either a representative of a neighborhood organization or a City staff person.

Step Two - Plan your project

- 1. Meet your relationship manager at your building.
- 2. Discuss ways to improve your storefront and review program requirements.

Step Three - Apply

- 1. Once you are ready to apply you will need
 - Color, digital photographs of your storefront and immediate surroundings
 - Illustrations showing the proposed improvements
 - Contractor estimates (at least two)
 - Completed application

- Send your application and required documentation by email to <u>SIP@phila.gov</u> or by mail to: Ana Fuentes, Commerce Department, 1515 Arch Street, 12th floor, Philadelphia, PA 19102.
- Applications will be reviewed for completeness and design. Application review usually takes 2-4 weeks. You and your relationship manager will be notified that the application has been received and whether anything is missing. Incomplete applications will not be considered. You MUST wait for approval before beginning work

Step Four - Begin work

- 1. Receive approval letter then sign and return W-9 and Reimbursement Requirements forms
- 2. Hire your contractor for the approved work
- 3. Obtain building and zoning permits
- 4. Approved applicants have up to six (6) months to complete proposed improvements.
- 5. If you who wish to change your project from what was approved or wish to use a new contractor, you must submit new estimates and a revised proposal for review and approval.

Step Five - Receive funds

- 1. Submit completion documents:
- 2. Copies of final invoices from contractors showing payment in full
- 3. Proof of payment in the form of copies of cancelled checks (front & back), credit card statements, or money orders. If you pay your contractor in cash we will be unable to reimburse you.
- 4. Copies of any required permits
- 5. Color photographs of the completed work
- 6. Allow 2-4 weeks for your rebate check to arrive

PART 4 – APPLICATION ATTACHMENTS

CHECKLIST -Please attach the following:

- 1. Color digital photographs of your building sent via email clearly showing the following:
 - Areas that will be improved;
 - The entire front facade of your building; and
 - The views down the block to the right and left of your building.
- 2. An illustration of the work you would like to do. Any of the following are acceptable:
 - A hand drawn sketch of the front of your building OR
 - A printed-out digital picture with written notes OR
 - A photo with post-it notes attached OR
 - An architect's rendering
 NOTE: if your project includes signs or awnings, please ask your contractor to prepare a picture of the new sign or awning showing all dimensions, materials, colors, and lettering.
- 3. Estimates from two licensed contractors are required. We recommend you secure at least three. All applicants must seek proposals from businesses owned and controlled by minority persons (MBEs), women (WBEs) or disabled persons (DSBEs) as described below in the "Additional Program Requirements".
- 4. Letter from building owner (if different from applicant) granting permission for the proposed work

Additional Program Requirements

- Applications submitted after construction has begun will not be considered.
- A property improved under this program may apply for the maximum \$10,000 or \$15,000 allowances no more than once every five (5) years, with exception of signage/awning costs for a new business.
- Economic Opportunity: While there are no projected ranges for Minority/Women/Disabled-owned Business Enterprise (M/W/SDBE) participation, vendors are prohibited from discriminating against M/W/DSBE firms in the performance of this grant. NOTE: Potential M/W/DSBE project participants can be found in the City of Philadelphia's Office of Economic Opportunity Registry of Certified Firms. The online registry can be accessed at http://www.phila.mwdsbe.com.
- The amount that this program is able to approve for reimbursement will not always be equal to 50% of the eligible costs or the maximum amount due to availability of funds and restrictions in how program funds can be spent.
- Restaurants that serve alcohol will be asked to document that a significant portion of their revenue comes from food sales. Bars that cannot provide this documentation will not be eligible.
- Improvements to buildings occupied by or owned by churches, schools, colleges and universities, government offices, and elected officials are not eligible.
